DOUBLED INCOME WHEN YOUR CLIENTS NEED IT.

Help better prepare your clients for unexpected expenses with the **Wellbeing Benefit²**, automatically included with the Eagle Select Income Focus LIBR at no additional cost³. After a two year waiting period, if a client can't perform two out of six activities of daily living (ADLs), they can double⁴ their income payment for up to five years.

For example, if a 60 year old client purchased a \$100,000 annuity contract using Eagle Select Income Focus with LIBR and Wellbeing Benefit, and turned on income at age 70, they could guarantee \$11,000 annually. Plus, after a two year waiting period and loss of two out of six ADLs, a client could double income to **\$22,000 per year for up to five years.**
