AbsoluteCapital
 smart solutions for serious money

Workplace Investment Navigator (W.I.N.)

YOUR CLIENTS WANT...

YOU TO HELP THEM...

BUILD...

Professional management for their workplace retirement account

Add management today and bring this account into their overall financial plan

Robust, customized portfolios for their retirement assets with access to institutional investment managers

Key Features

- ▶ Access institutional account management *(You and your client select the managers)*
- ▶ Expand the investment choices beyond their current selections
- ▶ Deploy multiple strategies in one account
- ▶ Integrated manager research center
- ▶ Assets stay in the plan, same statement
- ▶ Earn ongoing fee revenue on these assets now
- ▶ Monitor your clients' accounts in advisor portal
- ▶ You don't have to be rep of record on the plan

Advisor Compensation

- ▶ Ranges to a maximum of 1.60%
- ▶ Fees debited directly from account

Customized Portfolio & Proposal Creation

- ▶ Build customized portfolios tailored to your clients' goals
- ▶ Select institutional money managers to fulfill allocations

Examples

These are just some examples – you are creating a customized portfolio of institutional managers. Choose from thousands of available combinations depending on your clients needs.

Because Every W.I.N. Counts (Workplace Investment Navigator)

- ▶ Create a fee-based UMA for your clients' workplace assets...**W.I.N.**
- ▶ While they are still working...**W.I.N.**
- ▶ While keeping their assets in the plan with the same statement...**W.I.N.**
- ▶ While providing financial solutions for what may be their largest asset...**W.I.N.**
- ▶ While working with Absolute Capital as your dedicated partner handling all the steps to get started...**W.I.N.**
